

## CAN and STORAGE RACKS Heavy-Duty Series

Channel's broad selection offers the best solutions for your applications.

Inclined can guides provide easy access and facilitate efficient stock rotation when loaded from rear.

**CSBR-80M**

- Channel's combination of Can and Storage Racks provide a durable, efficient and ideal solution for holding, storing and organizing your bulk canned food in conjunction with adding valuable storage space.
- Ideal for use in hospitals, schools, hotels, and correctional applications (use prison package accessory, item /PP).
- T-Bar can guides and 1" x 1 1/2" inclined angle design provides easy access for can selection and efficient rotation for inventory control.
- Holds both #10 and #5 cans.
- Heavy duty, front or rear loading, space saving.
- All-welded, heavy-duty, aluminum construction utilizing 1 1/2" square extruded tubing.
- Mobile racks equipped with 5" full swivel non-marking plate casters, securely bolted to frame to facilitate ease of replacement.
- Lifetime guarantee against rust.
- **CUSTOM SIZES AVAILABLE.** Contact Factory.
